### An Advent Prayer

Lord Jesus, Master of both the light and the darkness, send your Holy Spirit upon our preparations for Christmas

We who have so much to do seek quiet spaces to hear your voice each day.

We who are anxious over many things look forward to your coming among us.

We who are blessed in so many ways long for the complete joy of your kingdom.

We whose hearts are heavy seek the joy of your presence.

We are your people, walking in darkness, yet seeing the light.

To you we say, "Come Lord Jesus!" Amen.

## **IMPORTANT ANNOUNCEMENT**

When we return from break, Mrs. Millett, our 7<sup>th</sup> and 8<sup>th</sup> grade ELA teacher will move into the newly created position of Assistant Principal. Mrs. Millett will continue teaching for the remainder of this year and begin the new position full-time next year. Mrs. Millett has been a part of the Our Lady of the Lake community her entire life and brings a wealth of knowledge and a great deal of expertise to the position. We welcome Mrs. Millett's creativity, energy and talent as we continue to move Our Lady of the Lake School forward as a leader in the educational community.

### **OCSAA – Ohio Catholic School Accrediting Association**

On Wednesday, December 13, we welcomed assistant superintendent, Susan Pohly from the Diocese of Cleveland. She spent the day and conducted our school internal validation, which is part of our school's accreditation process. All Catholic schools in the State of Ohio are accredited by the Ohio Catholic School Accrediting Association (OCSAA), whose mission is to strengthen the Catholic Identity of schools and to insure continuous quality improvement. This process requires the school to develop at least one goal that will lead the school toward improved student performance and one goal that will focus the school's attention on its Catholic Identity and mission.

“Accreditation engages schools in an ongoing, comprehensive process of evaluation, accountability, enrichment and improvement. The Standards of the OCSAA constitute a framework for education within Catholic elementary and secondary schools that seek to obtain and maintain accredited status.”

- OCSAA Handbook

The visit from Mrs. Pohly went well. We were in compliance in our operating standards and we were commended on our accreditation work. We will make a few changes and revisions and the next step will be to have our external validation. A team of five principals, the chairperson from another Diocese, will visit for two days in the spring and review all of our work. They will then give us their recommendations. After that, we will finalize our two goals and begin work on them. Keep us in your prayers!
