Dear Families:

Life on the Lake has been our school's main fundraiser for many years. It is an annual event and our committee, composed of parents and teachers works all year to make this a fun evening out. You can see from the ad above that there is a great deal going on. The food is always excellent and you will find the basket raffles, prizes and other activities quite amazing! Please get involved either by attending the event, sponsoring the event, or volunteering that evening. Life on the Lake has raised many dollars for our school over the years. While we receive government funding for some purchases and services, there are many other things that must be purchased through grants and fundraising dollars.

Don't forget that this is one fundraiser where you are asked to buy something and actually have a wonderful time! Please give your support. If you have any questions please give me a call at school. Take care and God bless!

FUNDRAISERS

Our Mrs. Fields Cookie Dough Sale begins on February 1 and will end on February 14. Because Easter is so early this year, our Malley's Easter Candy Sale will begin on February 20. As always, please do only what you can do. We understand that fundraisers can become overwhelming. These two sales are good because the products are very good and many people (family members and friends) look for these items around this time of year. Thank you as always for your support.

The Malley's Candy Sale proceeds will be directed to our 7th and 8th grade trip to Washington D.C.

3rd Grade Service Project – Souper Bowl Collection - January 22, 2018 – February 15, 2018
(See flyer on next page.)

Lent begins early this year on Valentine’s Day – February 14. We have asked that all classroom Valentine’s Day parties be celebrated the day before on Tuesday, February 13. This will allow us to keep a more solemn and prayerful day on Ash Wednesday.

Lent starts on Wednesday, February 14, 2018. We will once again be sending home the Catholic Relief Services Rice Bowls with the children. Catholic Relief Services does a wonderful job helping people all over the world. We encourage the children to put the Rice Bowl somewhere in your house where it will be seen. Drop coins or bills into it when you are able. Before our Easter break begins, turn the Rice Bowl into school or take it to church for one of our Holy Week services starting on Palm Sunday. This is a wonderful family activity. You can go to the Catholic Relief Services website and check out some of their work.

Be sure to pray together as a family and attend the many beautiful church services that will be available during these 40 days of Lent and of course during Holy Week.
